Internet Registration

Moraine Park Technical College implemented a new software administrative system that will provide additional functionality to meet the needs of our students. This system is available for registration of courses. Logon will be available on the www.morainepark.edu Web site.

Please note: The following students will be able to register via the Web:

- Program students attending MPTC from January 2007 or later
- All students registered for courses that began August 25, 2008, or later

If you have any questions as to the registration process, please **contact** 920-924-3207.

- Mail your check made payable to Moraine Park Technical College—no cash, please. Write the name of the student and the course number(s) in the lower left-hand corner of the check.
