

Accounting

Associate of Applied Science Degree: 10-101-1

Campus: Beaver Dam, Fond du Lac, West Bend and Online

Description

The Accounting program provides the foundation for individuals to prepare financial statements and record business transactions for all types of business and industry. Coursework trains students in all facets of accounting including financial, cost, payroll, taxes, auditing and computerized systems. Students develop a strong knowledge base of Generally Accepted Accounting Principles (GAAP), accounting procedures and software applications for accounting processes. Using computers, students gain hands-on experience to process financial data into information for reporting, planning, controlling and decision-making purposes.

Teamwork, communication skills, computer technology, ethical behavior and compliance with GAAP are also emphasized.

Graduates find employment in a wide variety of accounting occupations in both the private and public sectors and/or use their training to pursue additional educational goals.

Program Outcomes

- Prepare financial information according to Generally Accepted Accounting Principles (GAAP).
- Complete process of identifying, gathering, measuring, summarizing and analyzing financial data.
- Maintain computerized accounting system.
- Prepare personal and sole proprietorship income tax returns and business tax reports.
- Prepare payroll and payroll tax reports.

Career Opportunities

- Accountant
- Accounting Technician
- Payroll Accountant
- Cost Accountant
