

**MORAINÉ PARK TECHNICAL COLLEGE
PROGRAM OUTCOMES WORKSHEET
2009-10**

Program Name: Automotive Technician
Program Number: 32-404-2
Required DML: Licensure/Certification Exams

Student Name:
MPTC Student ID #:

Program Learning Outcomes	
<i>Complete the process of diagnosing and repairing automotive brake systems</i>	
404-326 Automotive Brakes	NATEF EOP Tests
404-339 Advanced Chassis Systems	
<i>Complete the process of diagnosing and repairing steering and suspension systems.</i>	
404-327 Steering and Suspension	NATEF EOP Tests
404-339 Advanced Chassis Systems	
<i>Complete the process of diagnosing and repairing automotive electrical/electronic systems.</i>	
404-390 Electricity For Technicians	NATEF EOP Tests
404-328 Electrical/Electronic Systems I	
404-329 Electrical/Electronic Systems II	
<i>Complete the process of diagnosing and repairing engine performance systems.</i>	
404-330 Automotive Engine Fundamentals	NATEF EOP Tests
494-331 Ignition Systems	
404-332 Fuel Systems	
404-341 Engine Performance	
404-340 Light Duty Diesel Engine Operation	
<i>Complete the process of diagnosing and repairing engine mechanical systems.</i>	
404-333 Engine Repair	NATEF EOP Tests
<i>Complete the process of diagnosing and repairing heating/air-conditioning systems.</i>	
404-342 Climate Control Systems	NATEF EOP Tests
<i>Acquire certification for Federal EPA and State of Wisconsin in mobile refrigerant recovery and recycling.</i>	
	Certification Certificates
<i>Complete the process of diagnosing and repairing automatic transmissions.</i>	
404-337 Automatic Transmissions	NATEF EOP Tests
<i>Complete the process of diagnosing and repairing automotive drive train.</i>	
404-338 Automotive Drivetrain	NATEF EOP Tests

Program Learning Outcomes (continued)*Prepare for ASE certification testing.*

404-325 Automotive Fundamentals

404-326 Automotive Brakes

404-327 Steering and Suspension

404-328 Electrical/Electronic Systems I

404-329 Electrical/Electronic Systems II

404-330 Automotive Engine Fundamentals

404-331 Ignition Systems

404-332 Fuel Systems

404-333 Automotive Engine Repair

404-336 Automotive Climate Control Systems

404-337 Automatic Transmissions

404-338 Automotive Drivetrain

404-339 Advanced Chassis Systems

404-340 Light Duty Diesel Engine Operation

404-342 Climate Control Systems

ASE Preparation Scoring Guide
