

Appeal of Suspension From Financial Aid

The U.S. Department of Education regulations (34 CRF 668.34) state that you must meet one of the following criteria to appeal your suspension from financial aid.

1. Death of a relative of the student
2. Injury or illness of the student
3. Other circumstances that result in undue hardship to the student

Documentation must be provided to substantiate one of the above criteria.

Attach all supporting documentation to support any claim of special circumstances and/or other assistance/counseling.

APPEAL WILL NOT BE PROCESSED WITHOUT THE REQUESTED DOCUMENTATION.

Suspension Information (Refer to your suspension notice from the Financial Aid Office.)

I am appealing my suspension from financial aid for:

- Semester 1 20____ - _____
- Semester 2 20____ - _____
- Summer 20____ - _____

Please check the academic progress standard(s) you did not meet that caused the suspension:

- Complete withdrawal after receipt of financial aid.
- Lack of satisfactory progress during your probation semester from:
- Failure to satisfactorily complete the number of credits based on your enrollment status (full-time, three-quarter, half-time, less-than-half-time) during your probation semester.
 - Failure to achieve a 2.0 GPA during your probation semester.
- Exceeded 150 percent of the number of credits required to earn a degree.

4. What steps have you taken to assure success and satisfactory progress if you continue in school?

5. Please explain why you feel you should be funded by financial aid.
