

If you are a student with a disability who will be requesting accommodations for the Next-Generation Accuplacer, [please click here to create an Accommodate account](#). After you create an Accommodate account, an Accommodation Specialist will reach out to you to schedule an appointment. Please allow 6-8 weeks to arrange accommodations.

## Accommodation Specialist Contact Information

### Beaver Dam Campus

Wendy Christianson  
920-887-4495  
wchristianson@morainepark.edu

### Fond du Lac Campus

Alyssa Hallgren  
920-924-3196  
ahallgren@morainepark.edu

### West Bend Campus

Rachel Weber  
262-335-5741  
rweber5@morainepark.edu

All campuses can be reached toll free: **1-800-472-4554** TTY/VP: Use Relay/VRS

## ***What is the NEXT-GENERATION ACCUPLACER?***

NEXT-GENERATION ACCUPLACER is a computer-generated assessment. It was developed to help insure that students entering college can progress toward achieving their educational goals.

NEXT-GENERATION ACCUPLACER is a tool that will identify your academic readiness in reading, writing, and arithmetic. It is used to determine the courses you will need to take first as you begin your college studies.

NEXT-GENERATION ACCUPLACER is administered on a personal computer. You will read the instructions and questions on the computer monitor and will select your answers using the computer keyboard or mouse.

After completing NEXT-GENERATION ACCUPLACER and receiving your scores, you will be informed about your results and about the next necessary steps to take as you prepare to enter your program.

## ***What kinds of questions are on NEXT-GENERATION ACCUPLACER?***

### **Reading**

**Next-Generation Reading** assesses the test-taker's ability to derive meaning from a range of texts and to determine the meaning of words and phrases in short and extended contexts. Passages on the test cover a range of content areas, writing modes, and complexities. Both single and paired passages are included. Four broad knowledge and skills categories are assessed:

- Information and Ideas
- Rhetoric
- Synthesis
- Vocabulary

### **Writing**

**Next-Generation Writing** evaluates a test-taker's ability to revise and edit multi-paragraph text. Questions cover two broad knowledge and skills categories, each containing three subcategories:

#### **Expression of Ideas**

- Development
- Organization
- Effective Language Use

## Standard English Conventions

- Sentence Structure
- Usage
- Punctuation

## Arithmetic

**Next-Generation Arithmetic** focuses on computation, order of operations, estimation and rounding, comparing and ordering values in different formats, and recognizing equivalent values across formats. The following knowledge and skills categories are assessed:

- Whole Number Operations
- Fraction Operations
- Decimal Operations
- Percent
- Number Comparisons and Equivalents

**NOTE:** Programs that require Tech Math 1A:

Civil Engineering, Electromechanical Technology, Fabrication Technologies, Mechanical Design Technology, and Process Engineering Technology will also take:

**Next-Generation Quantitative Reasoning, Algebra, and Statistics (QAS)** assesses the following knowledge and skills:

- Rational numbers
- Ratio and Proportional Relationships
- Exponents
- Algebraic Expressions
- Linear Equations
- Linear Applications and Graphs
- Probability Sets
- Descriptive Statistics
- Geometry Concepts
